

What's New for 2007?

What's New for 2007?

Here are some of the changes in the insurance programs offered through the Employee Insurance Program (EIP):

General Information

- Beginning January 1, 2007, new Benefits ID Number will be used for communication between EIP and subscribers and their dependents.
For details, see page 15.

State Health Plan

- As part of the Well Child Care program, a human papillomavirus (HPV) immunization is now offered for eligible covered dependents.
For details, see page 44.
- The State Health Plan is now offering some new wellness programs, including a weight management program, a medical cost estimator and a provider report card.
For details, see page 34.

Health Maintenance Organizations

- MUSC Options no longer covers obesity surgery. There have also been changes in some copayments, the out-of-network deductible has been increased and a prescription drug deductible has been added.
For details, see page 73.

MoneyPlu\$

- The EZ REIMBURSE® Card may now be used at any pharmacy that accepts MasterCard®. However, the card cannot be used at pharmacies located in general merchandise and grocery stores.
For details, see page 153.
- The EZ REIMBURSE® Card may also be used to purchase eligible over-the-counter medicines and to purchase prescriptions through the mail-order pharmacies for the State Health Plan, BlueChoice HealthPlan, CIGNA HMO and MUSC Options.
For details, see page 153.
